

## INNER WHEEL CLUB OF MIRI

In September, SK Bario had a fire and lost their classrooms. The Headmistress, Dora, appealed to our club to buy charts, school supplies, toys and books for their preschool class of 10 students. The club agreed to spend RM300.00 for these items. We had had left over money from the sale of clothes in Bario in 2014 that we had kept in a separate account for SK Bario. MAS Wings kindly sent all the items for free.

On 5<sup>th</sup> November we had another jamming session at Wheel's C Bar. This session was very successful, because it was on a Saturday and many bands were performing. The highlight was the Elvis Presley impersonator. We got 10% of the take for that day. And we also made a lot from our donation box that we left for 2 weeks and from passing it around that day.

On 18<sup>th</sup> November, President Trinnah attended the Inner Club of Singapore's 70<sup>th</sup> Anniversary. Together with the other District 331 exco members, they enjoyed the evening and the hospitality given to them during their visit and meetings. DC Viola and Trinnah never missed the opportunity to have a quick word with Singapore Club's oldest and longest active member, Ellen Louis.

## INNER WHEEL CLUB OF MIRI

Our last two projects for the year, were the Piasau Boat Club Christmas Sale on 3<sup>rd</sup> December. We had our usual stall, but this year the Boat Club committee and the Miri Outpost agreed to give the 10% take from all stalls that day for our Inner Wheel Accuvein project.

On 10<sup>th</sup> December, the Gymkhana Club of Miri had a Christmas Concert. We had a stall and the GCM Committee agreed to give all the donations from the audience and also the 10% take from all the stalls for the Accuvein project. At the end of the concert Datuk Lee Kim Shin, Assistant Minister for Land and Air Transport and Safety, agreed to provide a government grant of RM19,080.00 to purchase one Accuvein Scanner.
