

# CHRISTMAS CELEBRATION 2019

## INNER WHEEL CLUB OF SINGAPORE WEST

We gathered for an early Christmas celebration on 7<sup>th</sup> December at Kim's residence. Joining us this year are Margaret and Lynette who are our newly inducted members.

With gracious contributions from members, we had an enticing meal included a salt-baked fish by a Chef. Everyone enjoyed the spread of dried mee-siam, chap chye, beef stew, salad, fruits and many more.

Kim introduced her friend, Ms Adelen Koh, who runs a shelter home for the underprivileged in Toa Payoh. She gave us a thorough insight of the work she is doing. She also carry out activities for the elderly like hair cutting, back massage, pedicure and manicure and games.

She had an appeal for various essential items for her forth coming event on 21<sup>st</sup> December, for which members spontaneously responded generously.

Members also donated Christmas decorations to adorn the tree for her function and a small amount raised from bingo cards in a bingo game conducted by Kim's grandson and with prizes donated by Kim.

It was a wonderful fellowship and truly reflects the Christmas spirit of sharing, friendship and caring.
