

Children of Don Bosco Orphanage Home Visit

16th Nov 2019 ❤

IWCKK's President Datin was requested by Datin Linda , wife of YB Datuk Joachim Gunsalam to help on the program of the children visit.

Hence , it was a pleasure that IWCKK hosted a program of visiting UMS Aquarium and Marine Museum. followed by a simple lunch on UMS private beach and lastly visit to Cocoa Kingsom.

Before visit the Aquarium , the officer had a short briefing session with the kids educating about the facility in Aquarium and some general knowledge regarding Marine .

A simple lunch had been held in the private beach of UMS.

During the lunch, President Rachel had given out all the children one story book each. She encouraged all the children to be raising up with the reading habits.

The final program of the day were visiting Cocoa Kingdom, the very successful local made chocolate factory.

The owner first welcomed the group with a briefing session about cocoa. Later the children able to hands on in making chocolate themselves. The experience was wonderful and children able to bring home their handmade chocolate.
